

GIVE YOUR CHILD

A HEAD START

WHAT IS HEAD START?

Head Start is a federal program for preschool children and their families. Head Start helps all children succeed. Services are offered to meet the special needs of children with disabilities. Children who attend Head Start participate in a variety of educational activities, are involved in a health and dental program, have nutritious meals and snacks, and enjoy playing indoors and outdoors in a safe environment.

WHAT CAN THE HEAD START PROGRAM OFFER YOUR CHILD?

Head Start staff offer your child love, acceptance, understanding, and the opportunity to learn and to experience success. Head Start children socialize with others, solve problems, and have other experiences which help them become self-confident. The children also improve their listening and speaking skills.

WHAT CAN HEAD START OFFER YOUR FAMILY?

Head Start offers you a sense of belonging, many other support services, and a chance to be involved in activities that will help your whole family.
